## **IMPORTANT DISTRIBUTOR NOTICE**

### **Muzz Buzz Promotion**

---

Dear Distributor,

WAN will be running a Muzz Buzz and The West promotion commencing this weekend 11th & 12th January and continuing until the 28th & 29th March.

If you have a participating Muzz Buzz outlet in your territory, this will appear on your Daily Draw File. Your DDF will identify the outlet, the publication and the draw you are to deliver to them on each day of the promotion. Please ensure you follow your daily draw file.

Each site must be provided with a daily delivery docket. If your software does not have the ability to provide delivery dockets, then you can find a template for delivery advice here:

Please contact Circulation on 9482 9050 if you require any further information.

Thank you for your participation.

Kind Regards
